'Children at Oasis are learners for life'

Jubilee Celebrations

It was a pleasure to see many of you at the recent Jubilee celebrations held in our immediate and wider community during the bank holiday. Great fun was had by all, appreciating a much needed get-together and reviving the community spirit. The children also recently enjoyed our Jubilee picnic lunch in the Oasis Garden, where they could be heard sharing their joyous events of the weekend and their understanding of the Queens Jubilee. We look forward to planning our next event!

Trips

Our Pre-School children have recently enjoyed a trip to Trink Farm and an on-site Forest School afternoon climbing trees, cooking crumpets on the fire and exploring birds and insects.

Darcy the dog

As you will be aware from our previous newsletter we now have a resident dog called Darcy at Ludgvan Oasis.

- Darcy will receive ongoing formal training, socialising and conditioning within the setting environment
- Children will be taught appropriate behaviour around Darcy, what to do to prevent over stimulating or upsetting her and how to remain calm.
- Children will never be left with Darcy unsupervised
- The Darcy will always be in the care of a responsible adult who will have received handling training
- If Darcy exhibits any warning behaviours such growling or lowered ears she will be removed immediately from children
- Darcy will reside in the office and is not out in the nursery outside of designated walk times.
- Darcy will always be on a lead when she is out of the office. Children are only allowed in the office area with staff supervision.
- In the event that a children, staff member or visitor is bitten or scratched (even if only a "play" bite) the First Aider (Manager/Deputy Manager) will inspect and assess the injury. The suitability of Darcy will then be reassessed by the Management.
- Darcy will not go in the dining hall at meal times; she will not be permitted into the food preparation area of the kitchen.
- The setting will obtain consent from the parents/carers to handle or pet Darcy, together with details of any known animal allergies.
- The setting keeps an up-to-date list of children with known allergic reactions to dogs. These children will be supported with alternative learning opportunities when Darcy visits the learning rooms.
- Children are encouraged but never forced to take part in visits with Darcy. Children can avoid contact with her if desired.

- Where there are children with phobias, every effort is made to segregate Darcy from those with phobias.
- Darcy resides in the office and is not out in the nursery outside of designated walk times. With the support of a responsible adult, Darcy is taken for short walks onsite and around the Community Centre field.
- Darcy will be assessed regularly by Nick Osborne (owner) and Management.

Please do not hesitate to speak with Lorna if you have any concerns or would like a copy of the settings Dog Policy or Dog Risk Assessment.
