Summer Term 2023

'Children at Oasis are learners for life'

Dear families,

Staffing

We would like to take this opportunity to welcome Kayleigh Kemp to the Oasis team. Kayleigh has joined the team as an Early Years Assistant and is currently working towards an Early Years Educator apprenticeship. Kayleigh is working with the toddlers and pre-school.

We would also like to take this opportunity to wish Tracey all the best as she leaves us at the end of the month to start a new job at Carne to Coast Health Centre. She will be missed by children and staff alike!

Keeping Your Children Safe

Driving onto School Premises

When driving into the car park for drop offs/collections, please could everyone be mindful to avoid parking in the middle of the car park and/or blocking empty spaces. We appreciate that the car park can get very busy at peak times, however, we must all work together to maintain the safety of all children, parents/carers and staff on site.

We thank you for your continued support and cooperation with this matter.

Oasis British Values Star of the Week

- Toby Plummer - Helping his friends when they feel sad by sharing his toys.
- Charlotte Williams - Always demonstrating good listening at circle times and following instructions.
- Freya Peirce - Helping adults and her peers at tidy up time.
- Ralph Celentano-Young - Being kind to his friends by sharing his toys.
- Jowan Jarman - Helping to tidy away the toys.
- Kylo Young - Sharing toys with his friends during play.
- Kaiden Carmichael - Being helpful towards adults and peers.

Eco Friendly Oasis

We are continuing to work towards an Eco-Friendly Oasis and doing our bit to protect the earth.

Healthy Living - Our gardening project has supported the children's understanding of making healthy lifestyle choices. The children have taken on the responsibility to nurture and harvest their own carrots, peas, and potatoes. Fingers crossed for a good crop!

All children currently take part in a daily physical focus which promotes moving in different ways and learning about the benefits of regular exercise!

Waste and Recycling - Oasis children continue to take up the challenge of recycling paper, card, plastic and reusable materials. This has helped us to reduce 50% of the waste we produce each week!

We save any leftover fruit from snack and vegetables from lunch to feed our rabbit, Oreo, and our Chicken, Lucy.

Saving Water - We have explored ways to save water at Oasis. Each learning room has its own water butt. The children independently access this water to feed their plants daily and in all aspects of outside water play activities.

Parent Consultations

We will be holding parent consultations on Tuesday 27.06.23 between 1.30pm-5pm and 6.15pm-8.30pm to give you the opportunity to talk to your child's key person and to discuss your child's progress. Please speak to your child's key person to book an evening appointment or the office to book an afternoon appointment.

Graduation - Pre-School

We are very excited to announce that this year's graduation ceremony for the pre-school children, who will be leaving us to start their new schools in September, will be held in Marazion Community Centre on Wednesday 12th of July at 1:30pm. More information is due to follow in the next few weeks.

Designated Safeguarding Team

As part of our safeguarding procedures we have a Designated Safeguarding Lead who is **Lorna Trudgeon**, Deputy Designated Safeguarding Leads who are **Juliette George** and **Briony Sedgeman** and Assistant Designated Safeguarding Leads who are **Emily Wallis** and **Lindsay Roberts**.
