

Forest School

The weekly forest school sessions are underway and are proving to be a big success! The children are becoming familiar with their outdoors classroom and their confidence is blossoming with each visit. Below are some photographs to show you the different activities on offer to support the children's independence and problem solving.

Welcome to Basecamp!

Each week we have a fire to keep warm and cook our snack. We have been learning the rules of the fire to keep ourselves safe. Only the Forest School Leaders can go inside the square!

'1, 2, 3 where are you...1, 2, 3 I'm over here'. Learning a new game of hide and seek to keep us safe.

Working together to create 'safe spaces' with Jo, our Forest School Leader.

Taking responsibility for ourselves!

Each week we put out the flags to mark our safe space. We are very good at remembering, "We don't go past the flags".

Explore, observe and question!

Making popcorn. Listen for the pop!

Understanding risk!

Developing confidence and self-esteem!

Toasting yummy marshmallows!

Enjoying the benefits of outdoor learning!
